ckut's mandate - le mandat

CKUT is committed to making media accessible to all members of the community in order to reflect the community's diverse nature. The objective of CKUT, as a campus community station, is not to mimic or compete with commercial or other existing radio stations but rather to provide an alternative: a focus on new, marginalized, or otherwise unfamiliar issues, culture and music, as well as a different perspective on familiar issues and the cultural mainstream.

CKUT s'engage à rendre les médias accessibles à la collectivité montréalaise et autre, afin de refléter le pluralisme de cette communauté. En tant que station de campus/communautaire, l'objectif de CKUT n'est pas d'imiter ou de concurrencer les stations commerciales ou d'autres stations de radio. Au contraire, notre but est de donner une alternative en nous concentrant sur des problématiques, cultures et musiques nouvelles, marginales, ou sinon inconnues, et de proposer un point de vue différent des problématiques mieux connues du grand public.

in our words...

CKUT's **music programming** emphasizes the uncommon, the new, and the daring. We have a variety of specialized music programs as well as open format programs that span many musical genres. DJs make their own musical selections, without the aid of a playlist, choosing from recordings sent to CKUT by artists and record companies around the world as well as from their own private collections.

CKUT's **spoken word programming** (in black boxes on schedule) features alternative news, public affairs and arts and culture shows. We cover gay and lesbian culture, environmental issues, social justice issues, feminism, film and theatre reviews, African, Haitian, Latin American, Korean, Filipino, Muslim current affairs ... and more!!
